

**Illinois Communication and Theatre Association  
Past-President's Report  
Annual Board Report  
Submitted by Kacy Stevens  
September 2018**

I attended all of the board meetings this year.

I served on the Long-Range planning committee in which we rolled out a 4 year long-range plan that included a new mission and vision statement as well as a new board reorganization and advocacy plan. I am looking forward to seeing where ICTA goes from here.

As this is my last year in my four year presidential rotation, I want to thank everyone on the board and every board member I have worked with over the last several years. It was an amazing learning experience and from all of my colleagues from across the state. I am proud of all the work we have done and proud to serve!

Respectfully Submitted,  
Kacy Stevens  
Kacy Stevens, Past-President
