

ICTA Vice-President Report
2015 Convention

Kacy Abeln

September 23, 2015

Having completed my first year on the board, I have learned a tremendous amount of information and am excited for this year's convention.

1. I attended 3 of the 4 executive board meetings throughout the year.
2. I fulfilled my primary duty of reviewing the site of the September 2016 convention, which will be at the Hyatt in Lisle, IL (thanks to the hard work of Anna Wright and Doug Jennings)! More information about the theme and specifics will be sent to the membership next year.
3. I suggested and recruited participants for programs for the 2015 convention.

Respectfully submitted,
